

Pre-Clinic Instructions

Please follow these simple directions to make your clinic visit as easy as possible. To schedule an appointment, visit [Clinic Scheduling](#) on our website.

Prepare your animal for surgery

- ✓ **No food or snacks after 10:00 pm** the evening prior to surgery.
- ✓ Animals can have **LIMITED water** but take it up as soon as you wake in the morning.
- ✓ If your animal is current on its rabies vaccine, bring a copy of your current rabies certificate.
- ✓ If you cannot provide a rabies certificate, a vaccine will be given at no additional charge.

Drop-off and Pick-up

- ✓ Our drop-off times are between **8:15 am** and **9:15 am**.
- ✓ Please call if you are delayed. The phone number for the clinic is **770 704-7297**.
- ✓ You will need to pick your animal up the same day between **4:30 pm** and **5:30 pm**.
- ✓ If your animal's pickup time changes we will call you. Please be punctual and note that all animals will need to be picked up by 5:30 pm the day of your clinic.
- ✓ Dogs must be brought in on a leash (small dogs may use a carrier). Cats must be brought in a secure carrier. One animal per carrier is best.

Clinic Location

- ✓ Our physical address is: **310 Gilmer Ferry Road (Rear Entrance), Ball Ground 30107**
- ✓ Written directions can be viewed online [here](#). Please note that you must turn onto Old Dawsonville Road to reach our entrance at the rear of the building.

Cost

- ✓ **All fees are payable at time of drop off in cash, debit or credit (a \$2 surcharge will be added for credit/debit).**
- ✓ Please bring correct change if paying with cash.

Finally, please note that Georgia Animal Project is not a substitute for a regular veterinarian. We operate as a high quality, low-cost spay/neuter program. We do not offer vaccine verifications, test results to third parties or prescriptions for conditions outside the scope of our services offered at the time of the surgical procedure. We will provide you a receipt detailing the services provided to your companion animal at pick-up time.

Sincerely,
Georgia Animal Project
